University Mission Statement
Loyola University New Orleans, a Jesuit and Catholic institution of higher education, welcomes students of diverse backgrounds and prepares them to lead meaningful lives with and for others; to pursue truth, wisdom, and virtue; and to work for a more just world. Inspired by Ignatius of Loyola’s vision for finding God in all things, the University is grounded in the liberal arts and sciences, while also offering opportunities for professional studies in undergraduate and selected graduate programs. Through teaching, research, creative activities, and service, the faculty, in cooperation with the staff, strives to educate the whole student and to benefit the larger community.

Section 1: Preamble
Loyola University New Orleans is an educational environment dedicated to fostering intellectual achievement, personal development, social responsibility, and is committed to the human dignity and worth of every person. Acceptance of admission to the University carries with it an obligation for the welfare of the community. As such, Loyola expects the highest standard of personal conduct from its students. The Division of Student Affairs is committed to providing a student-centered, values rich, co-curricular education. Dignity, excellence, wholeness, inclusiveness, and compassion are key values conducive to the pursuit of knowledge and to personal development.

Loyola University New Orleans fully supports and fosters a policy of non-discrimination on the basis of age, color, disability, gender, national origin, race, religion, sexual orientation, and veteran’s status.

It is the intention of this Code of Conduct to clarify standards of behavior essential to the University’s educational mission and community life. The Code is applicable to all Loyola students; equally it is applicable to recognized student organizations and/or groups of students.

By accepting admission to Loyola University New Orleans, a student/student organizations accepts its rules and acknowledges the right of the University to take conduct action, up to and including suspension or dismissal.

II. Institutional Authority

The authority over behavior involving individuals, groups, and/or organizations rests with the Board of Trustees and is delegated by them to the President of the University. The President delegates authority in matters of non-academic student conduct to the Vice President for Student Affairs and Associate Provost to establish and hold student conduct proceedings that will ensure the proper administration of the University’s rules and regulations.

The Vice President for Student Affairs and Associate Provost along with the Conduct Officer (VPSA designee) shall oversee the operation of the student conduct system and administration of the Code of Conduct.

This Code of Conduct applies to students while they are on-campus, when they attend programs and events off campus which are Loyola-related, or when their off-campus behavior is a violation of this Code or of criminal law or constitutes a hazard to the health, safety, or well-being of themselves or members of the University community.

A. The University reserves inherent authority and the right to take necessary and appropriate action to protect the safety and well-being of the campus community. The University also reserves the right to take necessary and appropriate action as a result of student incidents off-campus which may affect the well-being of the Loyola community and/or the mission of the University.

- The Vice President for Student Affairs and Associate Provost or his/her designee may separate a student from the University or residence hall or take other appropriate action whenever the student’s alleged actions constitute a danger or hazard to the University community or a threat to self or others.
  - Separation may occur prior to or simultaneously with conduct proceedings.
  - Before separation can exceed ten days, the student shall be given the opportunity to speak directly to the Vice President for Student Affairs and Associate Provost.

B. Students may be accountable to both civil authorities and the University for acts which constitute violations of law and of the Code of Conduct. At the discretion of the Vice President for Student Affairs and Associate Provost, proceedings under this Code of Conduct
may be carried out prior to, simultaneously with, or following civil or criminal proceedings.
- Determinations made or sanctions imposed under the Code will not be subject to challenge on the grounds that civil or criminal charges involving the same incident are pending or have been dismissed, reduced, or resolved in favor of or against the student.

C. The Vice President for Student Affairs and Associate Provost along with the Conduct Officer has the right to consider all alleged violations of University policy and determine if a student, group, or student organization should be charged with an alleged policy violation.

D. The Vice President for Student Affairs and Associate Provost along with the Conduct Officer shall determine the appropriate course of action for all alleged policy violations.

E. Any question of interpretation regarding the Code of Conduct shall be referred to the Vice President for Student Affairs and Associate Provost or his/her designee for final determination.
- Disciplinary policies at the University are set forth in writing in order to give students general notice of standards of conduct. The regulations should be read broadly and are not designed to define conduct in exhaustive terms.
- In exceptional circumstances the Vice President for Student Affairs and Associate Provost may modify procedures outlined under the Code of Conduct.

F. The following may be adjudicated to the same extent as completed violations:
- Attempts to commit an act that violate this Code.
- Failure to act after witnessing a public violation of this Code.

G. The Code of Conduct shall supersede any and all regulations and/or decisions made by student groups and/or organizations and their affiliates.

H. Students are asked to assume positions of responsibility in the University conduct system so they might contribute their skills and insights toward the resolution of disciplinary cases. However, ultimate authority in disciplinary matters is vested in the University administration.

I. Conduct correspondence shall occur via campus mail, U.S. Mail, Loyola University New Orleans (loyno.edu) e-mail, and/or personal hand delivery of letters. Students will be held accountable for retrieving mail in a timely manner. Failure to do so is not an acceptable excuse for delaying the conduct process.

J. The complainant must file a complaint within one year of the alleged incident; except in cases of sexual misconduct which can be filed at anytime.

K. The Code of Conduct shall be reviewed each year by the Vice President for Student Affairs and Associate Provost, Conduct Officer, Student Government Association, University Attorney, and other designees. It shall be the responsibility of the Student Affairs Policy & Code of Conduct Advisory Committee to assure significant participation by all of the constitutive elements of the University community in the formulation of the standards of student conduct. This committee shall advise the Vice President for Student Affairs and Associate Provost concerning matters relating to student interest, and make recommendations.
- Members of Student Affairs Policy & Code of Conduct Advisory Committee shall be responsible to the Vice President for Student Affairs and Associate Provost and shall consist of equal representation from each constitutive element of the University community:
  - The student membership appointed annually by the Student Government Association.
o The faculty membership appointed annually by the University Senate.
o Administrative membership appointed by the Vice President for Student Affairs and Associate Provost.

L. Loyola University New Orleans expressly reserves the right to revise, supplement or withdraw any policy or portion of a policy from time to time, as it deems necessary.

M. The University reserves the right to grant access of a student’s full conduct file to a hearing board or hearing officer when determining sanctions after a student is found responsible.

N. Students are expected to know and comply with University policies and any special instructions and directives announced by the Vice President for Student Affairs and Associate Provost or designee. Ignorance is not an acceptable justification for committing violations of University policies. Lack of intent or awareness of such policies will not be accepted as excuses for violations and will generally receive the same consequences as deliberate violations.

O. There are occasional, exceptional situations in which a student’s physical or mental health condition is of such a nature that action needs to be taken to withdraw the student from the University.

1. The action can occur if in the judgment of the University, the student cannot benefit from the academic program, cannot benefit from the available and limited medical and/or psychological counseling resources of the University, and/or if the student is threatening harm to self and/or others, and/or is of disruptive concern to others.

2. The intent of this policy is to assist the student who appears to be unable to function effectively in the University community, for physical or mental health reasons, without infringing on the rights of others in the University community.

3. It is also the intent of this policy to enable a student to continue toward the successful completion of his/her academic goals, if not immediately, then in the future.

4. Upon appropriate consultation, the Vice President for Student Affairs and Associate Provost has the authority to separate a student from the University for reasons of physical or mental health.

5. A student separated for reasons of physical or mental health may not re-enter the University unless written clearance is given by the Vice President for Student Affairs and Associate Provost.

III. Student Discipline Philosophy

A. The student conduct process is regarded as an essential and constructive element of the educational process. Emphasis is placed on students’ acceptance of personal responsibility to uphold and safeguard community standards. Sanctions are intended to challenge students’ moral and ethical decision-making and to help bring behavior into accord with community expectations.

B. The focus of the inquiry in disciplinary proceedings shall be to determine if the individual, group, or organization is responsible or not responsible for violation of the Code of Conduct. The student conduct process is different from criminal and civil court procedures. Procedures and rights in student conduct proceedings are conducted with fairness but do not include the same protections afforded by the courts. Due process, within these procedures, assures written notice, a hearing, and the right to appeal as described within these procedures.

1. Deviation from prescribed procedures does not necessarily invalidate a decision or
proceeding.
2. The burden of proof shall be upon the complainant. In cases involving sexual misconduct, please refer to that section of the Student Code of Conduct located herein, at section 5.
3. Students, groups, or organizations will be found in violation of university policy if the burden of proof is met.
4. Sanctions will be proportionate to the severity of the violation(s).

C. Investigation of student conduct—Searches of University owned or operated student residence facilities may be conducted by the office of the Vice President for Student Affairs and Associate Provost in accordance with Residential Life policies.
1. No form of harassment will be permitted on the part of the institutional representatives to coerce an admission of responsibility or information about other suspected persons from the student involved.
2. Pending action on charges or appeals, the status of a student should not normally be altered, nor the right to be present on campus and attend classes be suspended, except for reasons, which in the judgment of the University, that conclude the student’s alleged actions constitute a threat to self or others within the University community.

D. Loyola University reserves the right to notify parents/guardians of dependent students regarding any conduct situation. Where a student is not dependent, Loyola University may contact parents/guardians to inform them of situations in which there is a health and/or safety risk. Loyola University also reserves the right to designate which university officials have a need to know about individual conduct complaints pursuant to the Family Educational Rights and Privacy Act (FERPA).

E. In accordance with FERPA and the Clery Act, the complainant in a sexual misconduct incident has an absolute right to be informed of the outcome and sanctions of the hearing, in writing, without condition or limitation. The university may release information to the complainant, but complainants are cautioned that FERPA does not permit them to re-release this information to others.

F. A student group or organization and its officers may be held collectively or individually responsible when violations of this Code by those associated with the group or organization have received the tacit or overt consent or encouragement of the group or organization, or of its leaders, officers or spokespersons. Sanctions of the group or organization may include up to suspension of recognition or charter revocation.
Section 2: Student Rights and Freedoms

I. Freedom in the Classroom
The professor in the classroom and in a conference should encourage free discussion, inquiry, and expression in the subject of the course. Student performance is to be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.

II. Freedom of Expression & Inquiry
A. Students are free to take reasoned exception to the information or views offered in any course of study, and to reserve judgment about matters of opinion. However, they are responsible for learning the content of any course of study for which they are enrolled.
B. Students and student organizations are free to examine and discuss all questions of interest to them and to express opinions publicly and privately. Freedom of speech and freedom of assembly are principles which Loyola has traditionally upheld and reaffirms. Implicit in these freedoms and with regard for the common purposes of the institution is the right to dissent and demonstrate in a peaceful and non-disruptive manner.
   1. The university community holds that those who enjoy these freedoms must also accept responsibility for order and discipline. While Loyola guarantees the right to peaceful and non-disruptive dissent to all the members of its academic community, it cannot and will not permit any actions or activities which are disruptive of its normal operations. Examples would include obstructive picketing or obstructive occupation of space and any activity which substantially prevents normal movement of persons, creation of interruptive noise or conduct which interferes with a person’s right to speak (including oral, written, or symbolic expressions imposed on an audience or a person), repeated interruption of or substantial interference with a person’s normal expectations of quiet for formal campus pursuits (such as education and administrative activities, studying, eating, and sleeping).
   2. Immediate suspension of those specific activities judged to be disruptive may be ordered by the President, the Vice President for Student Affairs, or their designated representatives whenever it is determined such preventive action is to be required in order to protect lives or property and to insure the maintenance of order. The order from a university official to cease all actions which are considered to be disruptive will take the form of a public statement to cease the disruptive activity and to disperse within a specified reasonable time as determined by the university official. If the individuals or groups participating in said demonstration cease their disruptive activity and disperse within the time specified, that fact will be taken into consideration in any disciplinary hearings that may follow the disruptive action.
C. Any segment of the academic community is free to invite and hear any personality and idea presented in the University forum. Sponsorship of speakers does not imply approval or endorsement of the views expressed, either by the sponsoring group or by Loyola.
D. It is incumbent upon the academic community to insure that the University forum is neither disregarded nor taken lightly since the forum reflects on every member of the academic community. The institutional control of campus facilities will not be used as a device of censorship. The Standing Committee on Student Rights, Freedoms, and Responsibilities shall be the board of appeal on action taken under this section.
III. Guidelines for Political Campaign-Related Activities at Loyola

A. Introduction
Loyola University is committed to the expression of diverse ideas and opinions and to the discussion and critique of each. Consistent with this commitment Loyola encourages all students, faculty and staff to be politically active and to support the candidates and causes of their choice. In fact, the university encourages student groups, faculty and staff to invite speakers to campus to further the discussion of the diverse ideas that make our country, state and city a great place to live.

However, as a tax-exempt, charitable institution Loyola University is subject to the rules and regulations of the Internal Revenue Code that prohibits the university from ‘participating in, or intervening in any political campaign on behalf of (or in opposition to) any candidate for public office.’ This guide is provided to assist and inform all members of the Loyola community so that they can engage in the rational debate of violating Loyola’s tax exempt status.

B. Guidelines for Campaign Related Activities
To ensure that Loyola University adheres to the prohibitions mentioned in the introduction to this policy the following guidelines must be followed:

1. All students, faculty and staff remain free to express their individual and collective political views, provided that they ensure that it is clear they do not speak on behalf of, or for, the university and that their participation in political activity in their individual capacity is separate and apart from their relationship with Loyola University.

2. Organizations created solely for the purpose of advocating for the election of a political candidate (i.e. Students for Candidate X) or ballot initiative may not receive funding from the University. However, Loyola does permit students and faculty to organize voluntary political clubs. These clubs are self-supporting and are permitted to exist insofar as they engage in lawful activities.

3. Recognized campus-based student organizations, that is to say those organizations that receive university funds, may participate in a political campaign on behalf of any candidate for public office as long as their campus-based activities comply with:
   - University policies and procedures, including these guidelines;
   - The student organization clearly identifies itself as a student organization that does not represent the official views of Loyola University.

4. Loyola’s name, or logo, is prohibited from appearing on any material that is used in support of a particular candidate, or partisan political cause.

5. Should a candidate for any political office be invited to campus by the university or student group, in his/her capacity as a candidate, each candidate for said office must be invited to appear on campus in a similar setting. However, an elected official may be invited to campus in a non-candidate capacity without any requirement to invite other elected officials, so long as that elected official does not make reference to his/her candidacy and speaks only in his/her non-candidate capacity. (For further clarification of this issue please see Appendix A).

6. Should a candidate appear on campus, a reasonable effort must be made to ensure the event takes the form of an educational/informational speech, or question and answer
session, or similar communication in an academic setting and not a political rally.

7. If must be made clear by the host of the event during the introduction of the candidate, and in any and all publicity of said event, that the candidate’s appearance does not represent an endorsement of the candidate by Loyola University, and that he/she was invited by the organization not by the university.

The following paragraph can be used as a template for the required disclaimer:

This event is sponsored by __________. The use of Loyola University New Orleans’ facilities for this event does not constitute an endorsement by the university. Loyola University does not endorse any candidate, or organization, in connection with this or any other political campaign or election.

8. Any expenses associated with an event that are typically not covered by Loyola, must be billed to the sponsoring organization so that there is no appearance of sponsorship by the University.

9. Absolutely no fundraising for candidate, party, or partisan political cause, shall take place at any event on campus. This prohibition extends to the posting, or transmission, of campaign related materials over the Internet.

10. At no time shall Loyola University use funds, supplies, email lists, directories, copiers, computers, telephones, fax machines, offices, return addresses or other equipment on behalf of, or against, any candidate for public office, political party, or political action committee.

Please note that whether an organization, or individual, is causing Loyola University to participate or intervening, directly or indirectly, in any political campaign on behalf of or in opposition to any candidate for public office depends upon all the facts and circumstances of each case.

C. Use of University Facilities

University facilities (meeting rooms, lecture halls etc.) in general may not be used on behalf of, or against, any candidate for public office, political party, or political action committee. If a Loyola facility is regularly made available to non-university groups, however, such facilities may be made available for political campaign activities if:

- The facility is provided on the same terms and conditions governing the use for purposes other than political activities,
- The facility is made available on an equal basis to other candidates and,
- Prior approval is granted from the Office of Government Affairs in the President’s office.

D. Conclusion

To ensure that Loyola University is in compliance with the rules and regulations of the IRS and FEC, please ensure that all public appearances by candidates for political office be coordinated with the Office of Government Relations and the Student Affairs Office, if invited by a student organization, and the Provost’s office, if invited by a faculty member.

The law in this area can evolve over time. Thus, should you have any questions, please do not hesitate to contact, Director of Government Relations, Tommy Screen at tscreen@loyno.edu

IV. Campus Demonstration Guidelines

A. Philosophy
Freedom of speech and freedom of assembly are encouraged and supported at Loyola University New Orleans. Implicit in these freedoms and with regard for the common purposes of the institution is the right to dissent and demonstrate in a peaceful and non-disruptive manner. Most importantly, those who enjoy these freedoms must also accept responsibility for order and discipline. While Loyola seeks to ensure the right to peaceful and non-disruptive dissent to all the members of its academic community, it cannot and will not permit any actions or activities which are disruptive of the academic/educational process and/or its normal operations.

B. Protocol
1. Notification: Campus demonstrations and/or protests must be sponsored by a recognized Loyola group or organization and the sponsoring group/organization must notify the Vice President of Student Affairs (VPSA) or designee of plans to demonstrate on campus. For the purpose of these Guidelines, “demonstration” or “protest” means an event requiring the presence of one or more persons in a University location with the intent to express a particular point of view in a manner that attracts attention, as in rallies, sit-ins, vigils or similar forms of expression. Campus Demonstration Registration Forms are available in the Office of Co-Curricular Programs and online. Groups may reserve quads and rooms for a demonstration; however, the use of space is subject to the VPSA’s judgment about the appropriateness of the location for the planned event, availability, applicable usage fees and associated charges. Registration forms must be returned to the Office of Co-Curricular Programs a minimum of three business days prior to the event.

2. Response and Preparation to a Campus or Student Sponsored Event: All campus protests, demonstrations, and/or similar forms of expression or conduct taking place on campus must be registered with the VPSA or designee in advance of the activities taking place so that the VPSA can take the following steps:
   - The VPSA will convene a preliminary meeting of all key stakeholders involved in participating, coordinating, or sponsoring the event to determine an appropriate time and location for the event and what steps are necessary to ensure adequate safety. This meeting may include members from the Loyola University Police Department (LUPD), student affairs staff, faculty, surrounding community, staff, and students.
   - Additional preparation meetings to review campus demonstration procedures and other details may be held prior to the event.
   - Additional assignments may be delegated by the VPSA to ensure adequate safety, preparation, and/or education of others.

C. General Conduct
Loyola sponsored events and outside groups must abide by the conduct regulations of the University as outlined in the Code of Student Conduct and other institutional policies. Those who are not affiliated with the University must at all times conduct themselves as guests. Groups or participants failing to comply with University policies may face immediate removal from campus and/or other appropriate actions by University officials and University police.
D. Access to Buildings/Rooms
1. Access to buildings/rooms is only approved via the Campus Demonstration Registration process (see Notification above) and is at the discretion of the Office of Co-Curricular Programs. If approval is granted, participants of campus demonstrations may enter approved campus buildings for the purpose of conducting orderly and peaceful demonstrations. Participants may sit or stand in the hallways, but may not:
   o Enter or occupy rooms or offices without permission;
   o Obstruct or restrict the free movement of persons;
   o Block hallways, doorways, stairs or exits of University facilities;
   o Use appliances/equipment that require the use of electrical and telephone outlets.

   Participants may be present in the buildings only during normal hours of operation. The opening and closing times of buildings may be obtained from LUPD. LUPD will ask everyone to leave the building at closing time. Failure to do so may result in removal from the building or other appropriate actions as determined by University officials.

2. In no event will protests or demonstrations be allowed in the following buildings or rooms:
   o Residence halls; or
   o Private offices, research laboratories and associated facilities, and computer centers; or
   o Offices, libraries, and other facilities that often contain valuable or sensitive materials, collections, equipment, records protected by law or by existing University policy such as educational records, student-related or personnel-related records, or financial records; or
   o Classrooms, seminar rooms, auditoriums or meeting rooms in which classes or private meetings are being held or are immediately scheduled; or
   o Emergency facilities, communications systems, utilities, or other facilities or services vital to the continuing functioning of the University.

E. Sound
Sound associated with the demonstration must be reasonable and shall not interfere with classes, residence halls, or business offices. The use of loudspeakers or other amplifying sound equipment is restricted to outdoor demonstrations and can only be used Monday, Wednesday and Friday from noon to 1:00 pm and 4:00 to 7:00 pm; Tuesday and Thursday from noon to 1:45 pm and 4:00 to 7:00 pm.

F. Placards
Placards used by participants must be made of poster board or of other similar material, but not out of material of a hard substance. Placards may be carried or worn on the person, but not tacked or nailed to trees or buildings or within buildings.

G. Literature/Printed Materials
Literature or other printed materials cannot be forced upon other or distributed in a manner that will obstruct free flow of traffic. Literature or other printed materials may not be scattered on the ground or left unattended on university benches, tables, sidewalks or building entrances.
H. Care of Property
In addition to restrictions on the use of placards (see above), reasonable care must be taken to reduce damage to the property of others and University property, including lawns. All trash and any literature/printed materials must be collected and placed in refuse/recycling containers; failure to do so will result in denial of future privileges.

Individuals or groups violate these Guidelines if:

- They interfere unreasonably with the activities of other persons, the educational process or the operations of the University. The time of day, size, noise level, and general tenor of a meeting, event or demonstration are factors that may be considered in determining whether conduct is reasonable;
- They cause injury to persons or property or threaten to cause such injury;
- They hold meetings, events or demonstrations under circumstances where health or safety is endangered; or
- They knowingly interfere with unimpeded movement in a University location; or
- They continue to engage in conduct after the VPSA or designee has declared that the conduct is in violation of the Guidelines and has instructed the participants to modify or terminate their behavior.

V. Privacy
A. Protection Against Improper Disclosure
Information about student views, beliefs, and political associations that professors acquire as instructors, advisors, and counselors is considered confidential. Judgments of ability and character may be provided under appropriate circumstances, normally with the knowledge and consent of the student.

B. Protection of Student Records
1. The student’s permanent educational record remains a personal document, and its contents are revealed only under rigid regulations as specified in the Family Educational Rights and Privacy Act (known as FERPA or the Buckley Amendment), 20 U. S. Code 1232g, 20 Code of Federal Regulations Part 99. Academic transcripts contain information concerning the academic status of the individual; disciplinary records are maintained separately from academic records in order to prevent simultaneous disclosure. No records are available to unauthorized persons either inside or outside the academic community without the express consent of the student involved (or his or her legal guardian in the case of a student who is a minor).

2. Civil authorities must present an order of the court to have access to these records. Staff and faculty should respect confidential information about students which they acquire in the course of their work. Students should likewise exercise extreme caution in the circulation of information about fellow students that does not have a direct bearing upon their academic performance. The student has the right to obtain a copy of his or her academic transcript from the Office of Student Records.

3. The complete policy on the Release of Student Information may be found on the Loyola website, in the Office of Student Records, and in the Academic Information section of the Code of Conduct.

VI. Medical Withdrawal Guidelines
A. Reasons
1. Physical or psychological difficulties causing severe impairment in one or more settings.
2. Student cannot benefit from the academic program and limited campus therapeutic resources (e.g., inpatient substance abuse treatment indicated).

B. Rationale
1. Assist students toward success without penalty.

C. Steps
1. Student requesting the medical withdrawal schedules an appointment with UCC Director or Staff Counselor.
2. UCC Director or Staff Counselor meets with student and conducts psychological evaluation.
3. Student must present a recommendation from his or her own physician(s) or treatment provider(s). This will be reviewed by the UCC Director.
4. UCC Director reviews all medical withdrawal requests and medical records (if applicable) and submits a recommendation to the Vice President for Student Affairs and Associate Provost.
   a. Recommendation includes treatment requirements for re-admittance such as a psychiatric evaluation and/or psychological outpatient or inpatient treatment depending on the issue.
5. At least one month prior to the student’s return to the university, he or she must attend another evaluation with the UCC Director and provide permission for her to review prior treatment records and speak with the treatment provider.
6. After reviewing the treatment records and consulting with treatment providers, the UCC Director submits a recommendation for readmission to the Vice President for Student Affairs and Associate Provost and when needed, includes provisional requirements such as bi-weekly counseling.

VII. Campus Organizations
A. Students should be free to organize and join associations to promote their common interests.
B. The membership, policies, and actions of a student organization are determined by vote of those persons who hold or have held bona fide membership in the University community.
C. Institutional recognition of an organization is granted by the Office of Co-Curricular Programs and the Student Government Association. Student organizations are required to submit statements as deemed necessary for institutional recognition and rechartering.
D. Affiliation with an extramural organization does not of itself disqualify a student organization from University recognition.
E. Campus advisors are required for each organization; each organization is free to choose its own, subject to approval by the Director of Co-Curricular Programs. University recognition will not be immediately withdrawn solely because of the inability of a student organization to secure an advisor. Chartered student organizations will have up to two months to secure an advisor. The Vice President for Student Affairs and Associate Provost will consider any extenuating circumstances which may require an extension of that time. Campus advisors counsel organizations, but they do not have the authority to control the policies of such organizations.
F. Campus organizations, including those affiliated with an extramural organization, are open to all students without regard to age, color, disability, gender, national origin, race, religion,
sexual orientation, and veteran’s status as a condition for university recognition. Organizations with a 501C IRS Code may exclude membership based on gender. Religious qualifications may be required by organizations whose aims are primarily religious. Implementation of this policy is the responsibility of the Standing Committee on Student Rights, Freedoms, and Responsibilities.

G. Student organizations must adhere to policies as outlined in the Student Organization Handbook.

H. The University is not liable or responsible for any injuries incurred by participants in or spectators at intramural activities, club sports, or general recreation in or outside of University facilities. Students participating in the intramural program or other recreational sports are responsible for ensuring that they are medically able to withstand the rigors of the physical activity in which they plan to engage. Likewise, all students should have sufficient health insurance in the event of an accident.

I. Certain University/student-sponsored events will require special university police coverage. The director of university police will make the final determination whether an event will require special security coverage and the number of officers required. Arrangements for special security services must be made with the University police department at least 10 working days prior to the scheduled event. Failure to make appropriate arrangements for University police coverage will subject the event to cancellation.

VIII. Participation in Institutional Government
As constituents of the academic community, students are free, individually and collectively, to express their views on issues of institutional policy and on matters of general interest to the student body. The student body should have clearly defined means to participate in the formulation and application of institutional policy affecting academic and student affairs. The role of the student government and both its general and specific responsibilities should be made explicit, and the actions of the student government within the areas of its jurisdiction should be reviewed only through orderly and prescribed procedures.

IX. Student Media
A. Student media are to be a free and independent voice acting in the best interest of the University in the pursuit of truth. It is the responsibility of the University to provide editorial freedom and sufficient financial autonomy for these media to establish and maintain their integrity for free inquiry and free expression in the University. It is the responsibility of these organizations to observe the canons of responsible journalism and broadcasting. Representatives of the student communications media have the right to review non-privileged information in the academic community; the community has the responsibility to share this information so that these students may perform their functions to the fullest.

B. A University Board of Communications shall establish and publish appropriate procedures:
1. For the appointment and removal of student media leaders.
2. For the promotion of an attitude of mature responsibility among all who contribute to student communications media.
3. To insure that each of the media recognizes and accepts its obligation to itself, the University and its standards, and the community at large.
4. To assure adherence to the policies contained in this section.

C. The members of the Board of Communications shall be responsible to the President and shall
consist of:
1. Three student members appointed annually by the Student Government Association.
2. Three faculty members appointed annually by the University Senate.
3. Three members of the administration appointed annually by the Vice President for Student Affairs and Associate Provost.
4. Individuals serving as student media leaders are ineligible to serve.

X. Off campus Freedom of Students
Loyola students are both citizens and members of the academic community. As citizens, students should enjoy the same freedom of speech, peaceful assembly, and the right of petition that other citizens enjoy; and, as members of the academic community, they are subject to the obligations which accrue to them by virtue of this membership. The academic community should ensure that institutional powers are not employed to inhibit such intellectual and personal development of students exercising their rights of citizenship both on and off campus.

XII. Amendments
This statement of policy may be amended to provide for proper interpretation, to alter the original intent, or to make additions. Students should propose amendments to the Chief Justice of the SGA Conduct Review Board; faculty, staff and/or administrators should propose amendments to the University Conduct Officer. Amendments will then be presented to the Student Affairs Policy and Code of Conduct Advisory Committee. The amendment must receive a two-thirds vote of the advisory committee to warrant a recommendation to the President. The President, if he approves, will notify the committee to include the amendment in the Student Rights and Freedoms section.

Appendix A:
On campus appearances by Candidates:
Candidates for public office or their designee’s are welcome to appear on campus for non-campaign related activities, such as an educational or informational talk to the University community. - The individual(s) is/are chosen to speak for reasons other than candidacy for public office.
- The individual speaks in a non-candidate capacity.
- The event or organization maintains a nonpartisan atmosphere.

- Any additional criteria appropriate for the particular event as determined by the University.
- Student organizations must initiate requests for an appearance of a candidate for public office in a non-candidate capacity through the Office of Co-Curricular Programs.
In addition, three options exist for campaign-related appearances of candidates and their surrogates. In all three cases, fundraising is strictly prohibited and approval must be obtained from Government Relations and Community Affairs.

**Candidate Debates:** All candidates duly registered for the ballot must be invited and given a reasonable opportunity to agree to participate, and the event must be managed in such a way as to not favor or endorse any particular candidate. Arrangements and formats for such debates must be reviewed and approved by Government Relations and Community Affairs.

**Events for Individual Candidates:** All candidates for office or their surrogates may be invited once during a primary season and once again during the main election season. If a candidate running for one of these offices speaks at Loyola, other candidates for the same office must be given the opportunity to speak in a comparable venue and similar timeframe.

**Non-sponsored events:** Campaigns are welcome to rent meeting rooms and event spaces and, as such, are subject to the same rules, regulations, and fees for all external users as set by the Office of Co-Curricular Programs. Advertising and publicity material should state that the event is not sponsored by Loyola University and all campaign-related activities must be contained within the rented venue or facility.

Approved appearances by candidates or their surrogates sponsored by University departments or campus groups may take advantage of campus promotional outlets provided the communications are designed to promote and support the event, but not the candidate.

F. Medical Amnesty/Good Samaritan Policy
Students and student organizations may be reluctant to seek medical assistance for themselves or others in instances of alcohol or drug intoxication for fear of facing disciplinary action from the University. In order to promote an ethic of shared responsibility and community support, Loyola University encourages students/student organizations to assist others, both on and off campus, by calling for medical assistance in instances of excessive alcohol and/or drug use. This policy is meant to ensure the health and well being of Loyola students by removing the threat of a conduct violation in the instances where medical assistance is required due to excessive alcohol or drug intoxication.

Students/student organizations who seek medical assistance for themselves (Medical Amnesty) or seek help for another student (Good Samaritan) due to intoxication of alcohol and/or drugs will be exempt from any conduct violations. Registration for any course will be “temporary” until the completed Proof of Immunization Compliance form has been reviewed by the Student Health Center. Failure to submit the completed form will result in a cancellation of classes. This requirement can be met by providing evidence of prior vaccination, or by being vaccinated at Student Health Services.
B. A medical release must be on file for each student not of legal age as defined by the state of residence.
C. A student too ill or injured to attend class should report to Student Health Services prior to the scheduled class, if possible. If the medical staff concurs that the illness or injury is serious, a confirmation memorandum will be sent to the faculty member. The faculty member will make the final determination on whether or not to accept the student’s absences as excused.
D. A student who will miss class for an extended period of time due to illness or accident should visit or notify Student Health Services. Student Health Services, upon verification of the illness or accident, will notify the Vice President for Student Affairs and Associate Provost of the absence and projected duration.
E. Health insurance is mandatory for all residents and international students. A student is prohibited from any verbal or non-verbal comment or physical action, which could inflict or seriously threaten injury or harm to a person.

XXXVI. Visitation

A. Definitions:
   1. Residential Students are defined as full-time students living in one of the on-campus residential communities. Students will be provided a sticker (placed under the photograph on their student ID), which is unique to their building, at the start of each semester to indicate their status as a residential student.
   2. Non-Residential Guests are defined as any individual who is not residing on campus. This includes students residing in off-campus housing, family members, friends or acquaintances not associated with Loyola University New Orleans, or “friends of friends” who accompany another guest into the residence hall.
   3. Minors are defined as any person between the ages of 5-16 years. This includes children of students, family members, siblings, friends, and children of friends.
   4. Infants are defined as any person under the age of 5 years. Infants are not allowed to stay overnight at any time.
   5. Visitation Hours are specific hours in which guests (regardless of age, sex, or relation) are permitted to visit a residence hall room without the prior permission of roommates.

B. Check-In
   1. Residential Students entering their assigned residence hall are required to show their student ID with the correct building sticker to the Desk Assistant upon entering the building each time.
   2. Residential Students entering a residence hall in which they do not reside and Non-Residential Guests are required to be checked in by a host (a residential student assigned to that building) at the front desk. Both the host and guest will be required to leave a photo ID with the Desk Assistant upon entering the building each time and collect their IDs from the Desk Assistant upon exiting the building.
      a. Non-residential guests who cannot present a photo ID will not be permitted to check into the building at any time, with the exception of Minors, who must obtain a visitor ID card at the front desk.
      b. Non-residential guests are expected to conduct themselves in accordance with the policies and standards of the university at all times.
      c. Identification cards will not be returned to any individual unless both the host and guest are present

C. Visitation Expectations and Responsibilities:
1. Residential students will discuss and define visitation hours for their room within the first 7-weeks of the Fall semester. This information will be posted in the Roommate Agreements, which will be placed in each room and a copy will be filed with Residential Life.
2. Entering first-year students will have Visitation Hours of **9:00am-12:00am, 7 days a week** until they have completed and reviewed their Roommate Agreement with a Residential Life staff member.
3. Entering upperclassmen will have 24-hour Visitation Hours until they have completed and reviewed their Roommate Agreement with a Residential Life staff member.
4. Roommate Agreements may be amended at any time as deemed necessary by residents or staff. Amendments to established visitation hours should be completed with all room/suitemates and a Residential Life staff member. All changes must be documented on the Roommate Agreement.
5. After a room swap or in the case of a new room/suite mate, the Roommate Agreement will be reevaluated to accommodate all current residents. Residential students are accountable for enforcement and reporting to a residential life staff member when visitation hours are violated. (See below for more information on the reporting process.)

Regardless of the agreed upon visitation hours, individuals are required to maintain an atmosphere that is conducive to sleep and study and should be respectful of the rights and privacy of others at all times.

Students violating Visitation Hours or the right of privacy of others will be subject to disciplinary action and possible loss of guest and visitation privileges.

All Minors and Infants must be accompanied by an adult. Minors desiring to stay in the building overnight must be between the ages of 5-18 years; be the sibling of the residential student serving as their host; be able to prove their kinship; and have written permission from the Residential Life office 48 hours prior to the Minor’s arrival.

Residential students living in Carrollton, Buddig, and Cabra Halls may not host more than TWO guests (residential or non-residential) at any one time per resident. Residential students living in Biever Hall may not host more than ONE guest (residential or non-residential) at any one time per resident. Violations of this must be reported by students and/or enforced by Residential Life staff.

Hosts will be held responsible for the conduct of their guest(s) and may be subject to disciplinary action as the responsible party for violations of the University policies incurred by their guest.

Non-residential guests should be escorted by their host at all times.

Opposite-sex guests must use the public restrooms appropriate to their gender. Using a restroom of the opposite sex is a violation of the Facilities Use policy, which is defined further in Section 3. XI: Facilities Use of the Student Handbook.

A staff member or resident may ask a guest (residential or non-residential) to leave at any time and guests are expected to comply with such requests.

**SPECIAL NOTE:** Due to the influx of visitors to the area, and in attempts to heighten security during such a busy time, all visitation privileges for all on-campus residence are suspended during Mardi Gras Celebrations, starting on the Friday before and ending the Wednesday after Fat Tuesday. Special visitation regulations apply during this period which greatly restricts the number of guests allowed in the residence halls.
D. Extended Stay Visitation:
1. Extended stay visitation is defined as any time a guest is present in their host’s room outside of or past the established visitation hours.
2. Hosts must seek and receive permission from their roommates for any extended stay guest at least 24 hours prior to the guest’s arrival.
3. Guests (residential and non-residential) may not visit during extended stay hours more than three times in one week and not in two consecutive weeks. An extension of stay may be granted by the Area Director; questions, concerns, or violations of the extended stay policy may be directed towards your Resident Assistant or Area Director.

E. Intimate Relations
1. Intimate relations are defined as any acts of physical intimacy that are characterized by a sexual nature or sexual activity.
2. Intimate relations and cohabitation are not endorsed by the University and can be considered Conduct Unbecoming, which is defined further in Section 3. XXXVII: Conduct Unbecoming of the Student Handbook. These relations are prohibited regardless of age, sex, gender, or class standing.
3. If a roommate or other hall residents believes that this policy is being violated, s/he is encouraged to seek the assistance of a Resident Assistant or Residential Life staff member. In the event of a formal complaint, the student(s) will be questioned and could be sanctioned through the discipline process, moved to another room, or both.
4. Ultimately, guest policies are meant to ensure the privacy of our students who share rooms, suites, and apartments with others. Each resident has a right to privacy and comfort that outweighs his/her roommate’s guest privilege. If the presence of a visitor/guest is an inconvenience to a roommate, the visitor/guest should leave. No one should abuse this right by making unreasonable demands. Students violating the guest policy or the right of privacy of others will be subject to disciplinary action and possible loss of privileges.

F. Addressing/Reporting Visitation Hour Violations
1. Students are expected to report a violation of visitation hours to a residential life staff member (their Resident Assistant, the Resident Assistant on Duty, or the Desk Assistant), at which point, documentation and enforcement will occur. Students in violation will enter the conduct process and may lose visitation privileges as a result of their hearing.
2. Students should first attempt to discuss any conflicts or violations with their roommate as they arise. Here are a few tips on bringing up your concerns with a roommate:
   a. Bring up the conversation within at least 1-2 days of the issue occurring.
   b. Discuss the issue in person – Not via email, text, or social media or via other people.
   c. Find a private (and neutral) place to hold the conversation.
   d. Focus on the incident or topic at hand, try not to bring other incidents into this if they are not pertinent or vital.
   e. Present the facts surrounding the incident or concern using “I” statements and be direct in your thoughts. For example: “I have trouble sleeping when there is a lot of conversation in the room and I would appreciate it if you and your friends could utilize the common spaces in the evenings.”
   f. Offer an opportunity for the other person to present their own concerns or ask questions – Be flexible and ready to offer up adjustments to your own habits.
g. Report the conversation to your Resident Assistant.

h. Follow up with your roommate to acknowledge observed changes or continued disruptions of the visitation hours.

i. If the issue persists, seek out the assistance of your Resident Assistant who can schedule a meeting with both individuals to attempt to address the concern.

XXXVII. Conduct Unbecoming

Responsible individual behavior is a basic expectation. Such behavior must stem from a recognition of and basic concern and respect for dignity, rights, and sensibilities of others. Therefore any social behavior which might offend these rights, sensibilities, and dignity is clearly inappropriate and will subject a student to discipline.
Section 4: Discipline Policies and Procedures

H. In the absence of a transcript, there should be a tape recording or video of the hearing. The University has the responsibility of recording the hearing. No other recordings of the hearing will be allowed. The record of the hearing is the property of the University. If any student and wishes to listen or watch the tape or video recording prior to writing an appeal, the student and the student’s advisor may listen or watch the recording in the Student Affairs Office.    1. Parent(s) may be present in a hearing but may not participate as an advisor, speak, ask questions, or otherwise disrupt the hearing procedure.
   2. Attorneys, alumni, and/or those who have no official affiliation with the University cannot serve as advisors.
   3. Current faculty or staff cannot act as advisors to their own sons/daughters.
B. The advisor’s role in the hearing is to personally advise the student. The advisor cannot speak for the student, ask any questions, and/or make presentations or comments.

C. Attorneys are not allowed to be present during the disciplinary hearing.

D. Should the advisor violate the role as outlined in the Code of Conduct and/or behave in a manner that disrupts the hearing process, the advisor will immediately be removed from the hearing.

E. Removing an advisor who violates the role of the advisor will not be considered grounds for an appeal.

X. Responsibilities of Hearing Participants
A. Students appearing at a disciplinary hearing have the responsibility to present truthful information. To not do so is considered a violation of University policy and is subject to a separate conduct violation.

B. A student is required to appear as a witness at a formal disciplinary hearing if their presence is requested. A witness is not required to submit a written statement. Should a witness be unable to attend a hearing, the witness in lieu of personal testimony may submit a written statement.

C. If a student fails to attend a scheduled hearing, the hearing may proceed in the absence of the student. Such an absence will not be considered grounds for an appeal, unless the student provides a reasonable and compelling excuse.

XI. Victim/Complainant Rights
A. The complainant has the right to be present throughout the hearing, but not during the deliberation of the hearing officer or hearing board.

B. The complainant has the right to present testimony at the hearing and request that witness(es) attend the hearing.

C. The complainant has the right to have an advisor present at the hearing.

D. The complainant has the right not to have irrelevant past history discussed during the hearing. Only relevant information dealing with the incident should be introduced at the hearing.

E. In accordance with the Student-Right-to-Know and Campus Security Act, the University may choose to inform the complainant of the outcome of the hearing based on one or both reasons:
   1. If a violation by its nature involves risk of physical force against the person or destruction of property of another in the course of committing the offense.
   2. That possible threatened or attempted aggression may be used against the victim or property prior to the hearing or after it has been held.

F. In accordance with FERPA and the Clery Act, the complainant in a sexual misconduct incident has an absolute right to be informed of the outcome and sanctions of the hearing, in writing, without condition or limitation.

G. The university may release information to the complainant, but complainants are cautioned that FERPA does not permit them to re-release this information to others.

H. The university may release information to the complainant, but complainants are cautioned that FERPA does not permit them to re-release this information to others.

XII. Procedures Pertaining to Anonymity
A. Due process article five provides for the granting of anonymity to witnesses when it is
necessary. The following procedures have been implemented to enact this provision.

B. Anonymity will be granted:
   1. When there is reasonable cause to believe that the safety of the witness is in jeopardy
   2. The witness would be subject to intense harassment

C. Upon request of the witness, the designee of the Vice President for Student Affairs and Associate Provost will thoroughly investigate the incident and make a recommendation on the granting of anonymity, subject to the concurrence and approval of the hearing board chair, hearing officer, or University Conduct Officer.

D. Any statements of an anonymous witness will be given to the accused student at the time such statements are introduced into evidence at the hearing.

E. The accused student may then challenge the statement and present questions to be answered by the anonymous person in a manner to be determined by the hearing authority.

XIII. Administrative Separation Directive
A. The Administrative Separation Directive shall prohibit named students from contacting, emailing, telephoning, or otherwise disturbing each other. In situations where the Vice President for Student Affairs and Associate Provost or their designee has reason to believe that an alleged violation of harassment, or a physical and/or sexual nature may have occurred on campus an Administrative Separation Directive can be given to one/all parties involved. The Administrative Separation Directive will not prohibit students named from attending classes or any other campus activity (even though students named may be enrolled in the same class(es)). Normally, the duration of the directive will be noted on the administrative action. Should the situation result in University disciplinary action, the administrative action will continue concurrently.

B. An Administrative Separation Directive from the Student Affairs Office may not be considered without the student first filing a written complaint with University Police. This is an administrative action only and is directed toward behavior occurring only on Loyola University Main and/or Broadway campuses.

C. The Administrative Separation Directive will not be construed as a finding of responsibility on the part of any student. It may require moving the student(s) named to another residence hall or removing the student(s) from the residence hall environment.

D. Violation of the term or conditions of the on-campus Administrative Separation Directive may subject the student to the disciplinary action without regard to the outcome of the case that led to the issuance of the administrative action.

E. A student seeking a Protective and/or Restraining Order from the city or state can receive assistance in the process by contacting University Police.

XIV. Conduct Appeals
A. Jurisdiction of the Board of Appeals
   1. The University Board of Appeals is authorized to receive all appeals of disciplinary decisions from the University Board of Review, the SGA Conduct Board or hearing officers.
   2. The Board of Appeals shall have the following membership:
      a. The Student Government Association will appoint four students.
      b. The University Senate will appoint four faculty members.
c. The vice president for student affairs and associate provost will appoint four members.

3. Disciplinary appeals shall be conducted by a panel of at least four members, including the chair (who is chosen by the membership) and a maximum of six members. The Board of Appeals panel must have representatives present from all three constituencies. In cases involving sexual misconduct, the Board of Appeals panel will include faculty and staff representatives.

4. Members serving on the Board of Appeals will hold a two-year term of office.

B. Appeals Process

1. A student or organization found responsible for violating the Code of Conduct may appeal the final, approved decision of any of the University’s hearing boards, or hearing officers.

2. A statement citing the basis for appeal, as well as supporting statements for the basis, must be submitted by e-mail or in writing to the Office of the Vice President for Student Affairs and Associate Provost within five working days following notification of the outcome of the original hearing.

3. The review of the appeal will normally occur within seven working days of a student filing an appeal. An extension of the preparation period or the date of the appellate review may be granted, upon request, by the Vice President for Student Affairs and Associate Provost.

4. An appeal must be based upon one of the reasons provided under Section 4: Discipline Policies and Procedures, XIV, C., Basis of Appeal of the Code of Conduct.

5. While the appeals process is being conducted, the student who appealed should attend classes and participate in co-curricular activities.

6. Once the appellate process has been completed, whether through an appellate decision or the expiration of time to file an appeal, the outcome is final and all sanctions go immediately into effect.

C. Basis of Appeal

An appeal must be based upon one or more of the following reasons:

1. Bias: Bias is a predisposition toward an issue or person which makes it impossible for the board member or hearing officer to remain neutral. It is incumbent upon the person alleging bias to demonstrate concretely both predisposition and the inability of the board member or hearing officer to remain neutral in the conduct of the hearing or the determination of its outcome.

2. New Evidence: New evidence is information or material which was unable to be known at the time of the original hearing. The student is expected to demonstrate that such evidence was unable to be known. Evidence which was known and which the student chose not to present does not constitute a sound basis of appeal. In those cases where new evidence becomes known after the period of filing for an appeal has expired, and reasonable grounds for an appeal seem substantial, access to the appellate process may be granted by the Vice President for Student Affairs and Associate Provost.

4. Inappropriateness of the Sanction: A sanction is inappropriate if it exceeds the maximum...
stated penalty. Although severity of the sanction, in and of itself, does not constitute a sound basis of appeal, a sanction is inappropriate if it does not reflect a proper alignment between the nature of the offense, the student’s previous disciplinary record, other factors which should be considered, and the sanction administered. Because these multiple factors are incorporated in each individual disciplinary decision, previous decisions do not establish precedent in University disciplinary hearings. In those cases where the appellate board believes the original hearing board or officer made a substantial misjudgment of the severity of the incident or the student’s record and, in turn, the sanction administered, the appellate board may make its own recommendations.

D. Procedures of the Appellate Review

1. The written statement of appeal submitted by the student will be forwarded to the Board of Appeals, or other appellate body, for a preliminary review. Upon completing the preliminary review, the Board of Appeals, or other university official with appellate jurisdiction, is required to take one of the following courses of action:
   a. The appellate board may refuse to consider the case for appeal when less than a majority of the entire board believes the appeal is justifiable and of merit. The student will be notified in writing by the advisor of the Board of Appeals of the board’s decision. The appeals process is now completed. No further appeal is accepted.
   b. The appellate board may accept the appeal for a full review. An appellate hearing will be granted when at least a majority of the entire membership of the body decides that there is sufficient likelihood that one of the reasons upon which an appeal can be based can be proven.

2. Upon completion of the full review, the board must elect one of the following courses of action:
   a. Sustain the decision of the hearing board or hearing officer.
   b. Refer the case back to the original hearing board or hearing officer for a rehearing when they believe sufficient new information exists to warrant that the case be reconsidered in light of this information, or when an individual board member acted with bias.
   c. Make their own recommendations when the board believes that the original board as a whole or an administrative hearing officer acted with bias or there was a prejudicial disregard of the student’s rights as defined in the Student Rights, Freedoms, and Responsibilities document or the Code of Conduct. Inappropriate sanctions which exceed the maximum stated sanction are procedural concerns and as such should be returned to the original hearing board or officer for remedy. The appellate board is empowered to make recommendations in those cases where they believe the sanction is inappropriate, either by being too harsh or too lenient. Once formulated, the recommendations of the appellate board are returned to the original board or hearing officer for reconsideration. If the appellate board’s recommendations are accepted, the appeal will be considered complete. If the original board or hearing officer does not wish to accept the appellate board’s recommendations, both the original sanction and the appellate recommendations are forwarded to the Vice President for Student Affairs and Associate Provost for final determination when the sanction is less than suspension or dismissal and to the President for determination when the sanction is suspension or dismissal. If
the original hearing officer is the Vice President for Student Affairs and Associate Provost and the Vice President does not wish to accept the recommendation of the appellate board, then in cases where the original sanction is less than suspension or dismissal, the original sanction imposed by the Vice President will stand. In cases where the original sanction imposed is suspension or dismissal and the Vice President for Student Affairs and Associate Provost does not accept the recommendation of the appellate board, then both the original decision and the recommendation of the appellate board are forwarded to the President for final determination.

3. In cases where decisions of the Vice President for Student Affairs and Associate Provost’s designee are being appealed, the Vice President for Student Affairs and Associate Provost will advise the appellate board.

4. The advisor shall sit in on all Board of Appeals proceedings to enable the proper procedures to be administered and assure compliance with guidelines set forth in the *Code of Conduct*. The advisor is a non-voting member of the Board of Appeals.
   - Recommendations of the Board of Appeals where the imposed sanction will be suspension or dismissal are forwarded to the President for final review and disposition.

**XV. Sanctions for Violations of the Code of Conduct**

For violation of the *Code of Conduct*, a student or organization may receive one or more of the sanctions below in accordance with the stated policy and the student’s or organization’s past record of behavior.

**A. Conduct Reprimand**

Written warning to the student or organization indicating they have violated *Code of Conduct* policies. It further warns that if a student or organization is found in further violation of the *Code of Conduct*, within a specified period of time, there may be grounds for more severe disciplinary action.

**B. Disciplinary Probation**

Temporary suspension of a student or organization’s good standing in the University for stated period of time as set forth in the conduct sanction letter. If a student or organization is found responsible for violating the terms of disciplinary probation during the period set up by the preceding judicial body, there may be grounds for more severe disciplinary action, including immediate suspension. At the end of the probationary period, the student or organization will be returned to good standing providing that all the terms of the probation has been successfully completed. The student or organization remains enrolled/chartered in the University but under the stated conditions of the probationary status, as outlined in the letter of disciplinary probation. A loss of privileges may occur. A letter, in compliance with the Family Educational Rights and Privacy Act of 1974 (*FERPA*), may be written to the parents, guardians, advisors, or national office of the student/organization explaining the terms of the probationary period.

**C. Disciplinary Suspension**

Disciplinary Suspension establishes a fixed period of time during which the student or organization may not participate in any academic or other activity of the University. In cases of individual student discipline, this means that the student is physically separated from the University and must leave the campus and remain off campus during the period of suspension, unless they return for official business related to applying for readmission. Parents or
guardians of a dependent student are informed of the disciplinary suspension of a student. A student that is suspended during a semester will forfeit all tuition, fees, housing, and food services monies. A grade of W will be entered into the student’s academic transcript for all courses enrolled in during that semester. At the end of the suspension period, the person may be returned to good standing in the university and may apply for readmission. Academic credit received at another University during the specified period of the suspension is not transferable to Loyola University. The office of the Vice President for Student Affairs and Associate Provost must clear all students for admission who have been suspended from the University for disciplinary reasons. Disciplinary suspension is entered on the student’s student personal (non-academic) file for a period of five years from the date of the imposition of the sanction.

In cases of organizational discipline, disciplinary suspension is equivalent to student organization charter suspension. This means that an organization has no legal basis for operating on campus or at off-campus university-sponsored events, for recruiting members, or for promoting the organization, its identity, or its activities. Suspension of charter for a period of time under stated conditions means that organizations must adhere to sanction requirements or face delay of reinstatement or permanent charter revocation for repeated non-adherence to sanction conditions. Additional conditions may be imposed requiring the organization to perform or refrain from certain actions.

D. Disciplinary Dismissal
Disciplinary Dismissal establishes a permanent termination of student or organizational status. In cases of individual student discipline, parents or guardians are informed of all actions of dismissal, and the fact that a student has been dismissed becomes a permanent part of the student’s personal, (non-academic) file. A student that is dismissed during a semester will forfeit all tuition, fees, housing, and food services monies. A grade of W will be entered into the student’s academic transcript for all courses enrolled in during that semester.

In cases of organizational discipline, disciplinary dismissal is equivalent to the permanent termination of the organizations charter. This means that an organization has no legal basis for operating on campus or at off-campus university-sponsored events, for recruiting members, or for promoting the organization, its identity, or its activities. Termination of charter is a permanent disciplinary sanction.

E. Residence Hall Suspension
Separation of the student from the residence halls for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

F. Residence Hall Dismissal
Permanent separation of the student from the residence hall both as a resident or visitor.

G. Fines and Other Fees
1. Alcohol and/or Illegal Drugs: Violation of the Alcohol and/or Illegal Drug policies will result in fines up to and including $500.
2. Drug Testing Kit: Items found on-campus that are suspected of being illegal drugs will be subject to a chemical test at the Loyola University Police Department. If the items test positive for illegal drugs, and the involved student is found responsible for violating the Illegal Drug policy, the student will be fined for the cost of the test. If more than one student is found responsible for violating the Illegal Drug policy in the same situation, the
Conduct Officer, hearing officer, or hearing board will decide what student(s) will be fined.

3. **Procedural**: If a student does not complete the sanction(s) given by a hearing officer or board by a stated date, will result in a procedural fine of no less than $50 per sanction assessed to the student. The student may also be restricted from registering or receiving transcripts until all sanctions are completed.

4. **Restitution**: Compensation for damage to or misappropriation of property. Compensation for a grievance caused to members of the University community may take the form of reimbursement or any appropriate positive action which the disciplinary body or administrative hearing officer shall deem germane to the violation.

5. **Tulane Emergency Medical Service (TEMS) Transport Fee**: If a TEMS staff member determines that a student is under the influence of drugs or alcohol must go to the hospital for an evaluation and/or treatment, the student must accept the transport. For this service, the student’s account will billed $200 as a reimbursement to Loyola University New Orleans.

**H. Other Penalties**

Discipline boards and administrative hearing officers are not limited to the sanctions listed, but may impose sanctions of a less severe nature which bear a reasonable relation to the fault for which the sanction is imposed. Other sanctions may include but are not limited to attendance at substance abuse counseling, testing and group education, research papers, community service, required activities, fines, restriction or loss of privileges, counseling evaluations, and work assignments.
Section 5: Sexual Misconduct, Discrimination, and Harassment Policy and Guidelines

PURPOSE:
Loyola University New Orleans strives to create and maintain a working and learning environment in which individuals are treated with dignity, decency and respect. The environment of the University is characterized by mutual trust and the absence of intimidation, oppression and exploitation. Faculty, staff, and students are able to work and learn in a safe, yet stimulating atmosphere. For these reasons, Loyola does not tolerate discrimination or harassment of any kind. Through implementation and enforcement of this policy, and through education of faculty, staff, and students, Loyola seeks to discourage, prevent, correct and when necessary sanction behavior that violates Loyola’s policy on discrimination and harassment.

I. In General
A. Applicability and Sanctions for Policy Violations – This policy applies to all students, faculty and staff of Loyola University New Orleans, as well as others who participate in Loyola programs and activities. Its application includes Loyola programs and activities both on and off-campus, including overseas programs. Individuals who violate this policy are subject to discipline up to and including discharge, expulsion and/or other appropriate sanction or action.
B. Prompt Attention – Reports of discrimination and harassment are taken seriously and will be dealt with promptly.

II. What is Prohibited?
A. The University’s sexual harassment policy is designed to apply to employment and academic relationships among administrators, faculty, staff and students, and prohibits male-to-female, female-to-male, faculty-to-student, and same sex harassment.
B. It is a violation of this policy to discriminate in the provision of employment or educational opportunities, to create discriminatory work or learning conditions, or to use discriminatory evaluative standards if the basis of that discriminatory treatment is, in whole or in part, the person’s race, color, sex, national origin, age, religion, disability status, military/veteran status, sexual orientation, genetic information, marital status, citizenship status, or any other characteristic, unless required by law.
C. Discrimination on the basis of race, color, sex, national origin, age, religion, disability status, military/veteran status, sexual orientation, genetic information, marital status, citizenship status, or any other characteristic is prohibited by a variety of federal, state and local laws, including Title VI and Title VII of the Civil Rights Act of 1964; Title IX of the Educational Amendments of 1972; the Age Discrimination in Employment Act of 1975; the Americans With Disabilities Act of 1990; the Family and Medical Leave Act; the Equal Pay Act, and Louisiana statutes.
D. It is a violation of this policy to harass individuals in the provision of employment or educational opportunities. In general, harassment is defined as verbal and/or physical conduct that threatens, intimidates, coerces and creates a hostile environment on the basis of the prohibited classifications (the person’s race, color, sex, national origin, age, religion, disability status, military/veteran status, sexual orientation, genetic information, marital status, citizenship status, or any other characteristic).
III. What to do about Discrimination and Harassment
Students, staff and faculty should use the same resources, processes and procedural protections described in Loyola’s policy on Discrimination and Harassment.

IV. Policy Review and Evaluation
This policy replaces the policy previously adopted on August 1, 2004, and revised April 23, 2010, and is effective on May 17, 2012. It is subject to periodic review by the Diversity Committee and the Office of General Counsel. Any comments or suggestions should be forwarded to the chair of the Diversity Committee or the Office of General Counsel.

V. Discrimination and Harassment Policy
A. IN GENERAL
1. Applicability— This policy applies to all students, faculty and staff of Loyola University New Orleans, as well as others who participate in Loyola programs and activities. Its application includes Loyola programs and activities both on and off-campus, including overseas programs.
2. Respect for Each Other — Loyola University New Orleans strives to provide a place of work and study free of discrimination and sexual harassment, intimidation or exploitation. It is expected that students, faculty, staff and other individuals covered by this policy will treat one another with respect.
3. Diversity - The University acknowledges everyone’s differences such as individuals from different races, gender, sexual orientation, mental/physical ability, culture, background, experiences, etc. All students, faculty, staff and other individuals covered by this policy are responsible for promoting an environment of inclusion.
4. Prompt Attention — Reports of sexual harassment are taken seriously and will be dealt with promptly. The specific action taken in any particular case depends on the nature and gravity of the conduct reported and may include intervention, mediation, investigation and the initiation of complaint and disciplinary processes. Where discrimination and sexual harassment has occurred, the University will act to stop the harassment, prevent its recurrence, and discipline and/or take other appropriate action against those responsible.
5. Confidentiality — The University recognizes the importance of confidentiality. Those responsible for implementing this policy will respect the confidentiality and privacy of individuals reporting or accused of discrimination or sexual harassment to the extent reasonably possible. Examples of situations where confidentiality cannot be maintained include circumstances when the law requires disclosure of information and/or when disclosure required by the University outweighs protecting the rights of others. In all cases, the issues of confidentiality must be balanced with the University’s need to investigate and take appropriate action.
6. Sanctions for Policy Violations- Individuals who violate this policy are subject to discipline up to and including termination, expulsion and/or other appropriate sanction or action.
7. Protection Against Retaliation — Retaliation and/or reprisals against an individual who in good faith reports or provides information about behavior that may violate this policy are against the law and will not be tolerated. However, intentionally making a false report...
or providing false information is grounds for discipline.

8. Prevention—Loyola prohibits all unprofessional behaviors that may be perceived as discrimination or sexual harassment, including behavior that may not meet the legal definition of unlawful discrimination or sexual harassment.

9. Relationship to Freedom of Expression—Loyola is committed to the principles of free inquiry and free expression. Vigorous discussion and debate are fundamental to the University, and this policy is not intended to stifle teaching methods or freedom of expression generally, nor will it be permitted to do so. However, discrimination or sexual harassment is neither legally protected expression nor the proper exercise of academic freedom. It compromises the integrity of the University, its tradition of intellectual freedom and the trust placed in its members.

10. Required Training—In compliance with Loyola policy, all employees are required to participate in sexual harassment training at least every two years.

B. DEFINITIONS

1. Sexual Harassment: Unwelcome sexual advances, requests for sexual favors, and other visual, verbal or physical conduct of a sexual nature constitute sexual harassment when:
   a. It is implicitly or explicitly suggested that submission to or rejection of the conduct will be a factor in academic or employment decisions or evaluations, or permission to participate in a University activity, OR
   b. The conduct has the purpose or effect of unreasonably interfering with an individual’s academic or work performance or creating an intimidating or hostile academic, work or student living environment.

Determining what constitutes sexual harassment depends on the specific facts and context in which the conduct of a sexual nature occurs. Sexual harassment may take many forms—subtle and indirect or blatant and overt. For example, it may:
   o Be conduct toward an individual of the opposite sex or the same sex.
   o Occur between peers or between individuals in a hierarchical relationship.
   o Be aimed at coercing an individual to participate in an unwanted sexual relationship or it may have the effect of causing an individual to change behavior or work performance.
   o Consist of repeated actions or may even arise from a single incident if sufficiently egregious.

There are three (3) types of sexual harassment:

1. Quid pro quo- where submission to harassment is used as the basis for employment or educational decisions.
   ▪ Quid pro quo harassment occurs when employee benefits such as raises, promotions, working hours, etc., or student benefits such as grades, assignments, recommendations, etc. are directly linked to compliance with sexual advances. Therefore, only someone with the authority to grant such benefits can engage in quid pro quo harassment.

2. Hostile work or learning environment- where the harassment creates an offensive and unpleasant working or learning environment.

3. Third party harassment- when a party or parties are not sexually harassed directly, but suffer the consequences of sexual harassment.

2. Sexual Assault: The University's Sexual Assault Program (http://finance.loyno.edu/police/campus-sexual-assault-program) may also apply when
sexual harassment involves physical contact. In addition, there are options for students (http://studentaffairs.loyno.edu/sites/studentaffairs.loyno.edu/files/Loyola-University-New-Orleans-Options-After-Sexual-Assault.pdf).

3. **Discriminatory Harassment**: verbal or physical conduct directed toward an individual solely because of his or her gender, race, nationality, religion, creed, age, disability, citizenship and/or presumed or actual sexual orientation that:
   a. stigmatizes the individual as known by the speaker to invoke violence or imminent harm, or
   b. is of a continual nature such that it creates an intimidating, hostile or offensive working, academic or campus environment or
   c. unreasonable interference with an individual’s work or academic performance.

4. **Diversity**: Loyola is committed to providing a diverse academic atmosphere. This idea is rooted in the belief that diversity enriches our social interactions and intellectual lives by exposing us to different cultures, ideas, and ethnicities. Recognizing the role which diversity plays in our mission, Loyola strives to maintain an educational community that is safe, welcoming, and inclusive for all of its faculty, staff, and students.

C. **WHAT ACTIONS CONSTITUTE SEXUAL HARASSMENT?**

You have a right to work, learn and live in an environment free from sexual harassment. The following are some examples of conduct, particularly unwelcome, which may constitute sexual harassment:

1. Direct proposition of a sexual nature and/or subtle pressure for sexual activity that is unwanted and unreasonably interferes with a person’s work or academic environment
2. Gender harassment, including sexist statements and behavior that convey insulting, degrading, or sexists attitudes
3. Persistent and unwanted request for dates, unwelcome and inappropriate letters, telephone calls, email, or other communication or gifts
4. Direct or implied threats that submission to sexual advances will be a condition of employment, work status, promotion, grades, or letters of recommendation
5. Subtle or overt pressure for sexual favors
6. Unwanted physical contact such as touching, hugging, brushing against a person’s body, impeding or blocking movements
7. Sexually explicit statements, questions, jokes, or anecdotes regardless of the means of communication (oral, written, email, text messages, etc.)
8. The display of inappropriate sexually oriented materials Sexual Assault, attempted rape, or rape (See sexual assault section)

D. **WHERE TO REPORT A DISCRIMINATION OR SEXUAL HARASSMENT COMPLAINT**

The following are the primary methods for reporting discrimination or sexual harassment at Loyola. There is no requirement to follow them in any specific order. However, early informal methods are often effective in correcting questionable behavior.

1. If you feel comfortable enough, you may speak with the person, inform him/her of the unwelcome behavior and ask that the behavior stop immediately. Document the incident and the steps taken to resolve it.
2. If you feel uncomfortable speaking with the person engaged in the unwelcome behavior, or if you are unsure about your concerns and have questions, you may discuss your concerns with, and address your questions to, one of the advisors trained by Loyola
University New Orleans Compliance Officer. A list of those advisors may be found at the following link http://president.loyno.edu/general-counsel.

3. To file a discrimination or sexual harassment complaint, the complainant should contact the Office of Compliance, Marquette Hall, Suite 250, Ph. 504.865.2657.

Individuals seeking further information may also visit the following:
1. The Human Resources Department, Mercy Hall, Suite 102, Ph. 861-7757
2. University Counseling Center (UCC), Danna Student Center, Suite 205, Ph.865-3835

Individuals seeking further information regarding sexual assault may visit the following:
1. Sexual Assault Advocacy Initiative or Advocates, http://studentaffairs.loyno.edu/counseling/advocate-list (See section on sexual assault)

E. Formal Complaint, Investigations, Appeal and Disciplinary Processes — Complaint, appeal or disciplinary processes may be pursued as applicable.
1. Complaints, Investigations, and Appeals — The applicable procedure depends on the circumstances and the status of the person bringing the charge and the person against whom the charge is brought. Generally, the process consists of the individual’s submission of a written statement, of fact-finding process or investigation by a University representative, followed by a decision and, in some cases, the possibility of one or more appeals, pursuant to the faculty appellate process, the human resources operating manual or the student Code of Conduct. The relevant procedure (see below) should be read carefully, since the procedures vary considerably. If the identified University fact-finder has a conflict of interest, an alternate will be arranged. The compliance officer (CO) can help assure that this occurs.
   a. In most cases, complaints and appeals must be brought within a specified time after the action in question. While informal resolution efforts will not automatically extend the time limits for filing a complaint or appeal, in appropriate circumstances the complainant and the other relevant parties may mutually agree in writing to extend the time for filing a complaint or appeal.
   b. A list of the established complaint and appeal procedures are located online or from the CO.
   c. For staff dispute resolution policy and procedures, see Chapter Five of the Human Resources Policies, Procedures and Benefits at http://finance.loyno.edu/human-resources/policies-procedures-benefits-manual
   d. For Faculty refer to the Faculty Handbook, Chapter 1 at http://academicaffairs.loyno.edu/sites/academicaffairs.loyno.edu/files/CH-1-Final-Version_3.pdf
   e. For students refer to the Student Code of Conduct, Chapter 5 at http://studentaffairs.loyno.edu/sites/studentaffairs.loyno.edu/files/Section%204%20Discipline%20Policies%20and%20Procedures.pdf

2. Disciplinary Procedures — In appropriate cases, disciplinary procedures may be initiated. The applicable disciplinary procedure depends on the status of the individual whose conduct is in question. For example, faculty is subject to the Faculty Handbook at http://academicaffairs.loyno.edu/faculty-handbook and students to the Student Code of Conduct at http://studentaffairs.loyno.edu/student-handbook. For additional information related to student judicial affairs, see http://studentaffairs.loyno.edu/sites/studentaffairs.loyno.edu/files/Section%204%20Discipline%20Policies%20and%20Procedures.pdf. Staff members are subject to the Human

**F. PROCEDURAL MATTERS**

1. **Investigations** — If significant facts are contested, an investigation may be undertaken. The investigation will be conducted in a way that respects, to the extent possible, the privacy of all persons involved. In appropriate cases, professional investigators may be asked to assist in the investigation. The results of the investigation may be used in the third party intervention process or in a complaint or disciplinary action. The CO will oversee all investigations. Investigations involving faculty members will be conducted by the Office of the Provost with the support of the CO.

2. **Recordkeeping** — The CO will track reports of discrimination and sexual harassment for statistical purposes and report at least annually concerning their number, nature and disposition to the University President. The CO may keep confidential records of reports of sexual harassment and the actions taken in response to those reports, and use them for purposes such as to identify individuals or departments likely to benefit from training so that training priorities can be established.

3. **Indemnification and Costs** — The question sometimes arises as to whether the University will defend and indemnify a Loyola employee accused of discrimination or sexual harassment. The issue of indemnification depends on the facts and circumstances of each situation.

**G. SEXUAL ASSAULT CASES**

Students who are survivors of sexual assault are highly encouraged to contact University police. Reporting an assault to the University police does not require filing criminal charges; however, it does allow the University to assist and support the survivor. Sexual assault is an egregious form of sexual harassment and it is a crime. The University takes all incidents seriously. The University supports the right of the survivor of a sexual assault to decide how best to utilize various University, community, private and public support systems designated to address crimes of sexual assault. Within the University, instances of sexual assault should be reported to:

- Loyola University Police Department: 504.865.3434

**H. CONSEQUENCES OF DISCRIMINATION OR SEXUAL HARASSMENT**

These forms of harassment have adverse effects on the victim. The student, faculty or employee may suffer a diminished ability to work and/or study, which may have a lasting career impact or a loss of confidence in the University’s ability to provide a comfortable and safe environment for work and learning. A student’s educational goals may also be significantly affected if the student decides to avoid certain courses, change his or her area of study, or transfer to another institution.

In addition, these forms of harassment impacts the University and the department(s) involved. The University and the department(s) may experience an atmosphere of fear, intimidation, declining work productivity and office morale.

A person found responsible for discrimination or sexual harassment may face:

1. Student disciplinary action
2. Letter of reprimand
3. Denial of promotion
4. Demotion
5. Suspension
6. Termination

I. DUTY TO REPORT
Managers, supervisors, faculty and other agents of the University have a duty to report any known or alleged incidents of sexual harassment.

J. RESOURCES FOR DEALING WITH SEXUAL HARASSMENT
1. External Reporting — Discrimination and sexual harassment are prohibited by state and federal law. In addition to the internal resources just described, individuals may pursue complaints directly with the government agencies that deal with unlawful harassment and discrimination claims, e.g., the U.S. Equal Employment Opportunity Commission (EEOC) at http://www.eeoc.gov/field/neworleans/index.cfm, the Office for Civil Rights (OCR) of the U.S. Department of Education at http://www2.ed.gov/about/offices/list/ocr/index.html, and the Louisiana Commission on Human Rights at http://gov.louisiana.gov/HumanRights/humanrightshome.htm. These agencies are also listed in the Government section of the telephone book. A violation of this policy may exist even where the conduct in question does not violate the law.

K. POLICY REVIEW AND EVALUATION
This policy replaces the policy previously adopted on August 1, 2004, and revised April 23, 2010, and is effective May 17, 2012. It is subject to periodic review by the Diversity Committee and the Office of General Counsel. Any comments or suggestions should be forwarded to the chair of the Diversity Committee.

VI. Procedures for Reporting Harassment, Sexual Harassment, Discrimination, or Sexual Misconduct
A. Observation of Discrimination or Harassment
If a student becomes aware of discrimination or harassment, either from personal observation or as a result of an employee or student coming forward, the student should immediately report it to the Director of Human Resources/Title IX Coordinator or alternate (faculty or staff alleged violator) or the Vice President for Student Affairs and Associate Provost or alternate (student alleged violator).

B. Options Available for Students after a Sexual Misconduct Incident
1. Report to LUPD
   a. Report to LUPD and press charges - NOPD will then be called.
      i. After NOPD is called a uniformed officer will arrive to speak with the victim.
      ii. The uniformed officer will call a sex crimes detective who will then take the lead on the case.
   b. Report to LUPD and do not press charges.
      i. LUPD will ask if the victim would like to speak with a female officer.
      ii. LUPD will ask the victim if they would like to have a counselor called from the University Counseling Center.
   c. Report to LUPD anonymously without providing personal information.

2. Receive an Exam
   a. Students who allegedly have been sexually assaulted should not shower, bathe, brush their teeth, or change clothes until they have been medically examined. This is necessary to preserve evidence.
b. Victims can receive a free medical exam at The Medical Center of Louisiana at New Orleans, located on 2021 Perdido Street off Tulane Avenue (1-800-256-2311).
   i. Sexual Assault Nurse Examiners (SANE) Available.
   ii. Only facility in the metro area that offers forensic exams. iii. Can obtain exam regardless of whether or not assault is reported.
   iii. Options for exam.
      1. Evidence collection (sent to NOPD, preserved for 30 days)
      2. Medical exam without evidence collection
   iv. Option to have medical advocate called from Metropolitan Center for Women and Children.

3. Pursue Loyola University Judicial Action *
   a. Victim may pursue university judicial action if the accused individual is also a Loyola student. After filing a conduct report with LUPD, contact the Office of Student Affairs at 504-865-3030.
   b. The Loyola University Board of Review will review all incident reports any supplemental materials or statements in a formal judicial hearing. As conduct “complainant”, the victim may be present at his or her discretion to provide testimony. Anonymity may be granted for complainants and/or other witnesses. **
   c. The Board of Review will deliberate on all evidence and make decisions about the responsibility of the accused student in a hearing.

*This process is not related to and is independent of any criminal proceedings in a court of law.
**Refer to “Victim/Complainant Rights” and “Procedures for Anonymity” in the Student Code of Conduct.

4. Receive Support
   a. Campus Support:
      i. University Counseling Center: (504) 865-3835
         • Receive confidential individual counseling, consultation, and/or advocacy.
      ii. University Ministry: (504) 865-3226
      iii. Student Health Services: (504) 865-3326
      iv. Women’s Resource Center: (504) 865-7880
   v. Community Support:
      1. RAINN (Rape, Abuse & Incest National Network)
         • 1-800-656-4673
         • http://www.rainn.org
      2. Metropolitan Center for Women and Children
         • (504) 837-5400
         • http://www.metrobatteredwomen.com

5. Note to professors: There are many choices facing a victim after a sexual assault. The diagram above provides basic information regarding these choices. These options do not have to be conducted in any particular order and can happen at any point after a sexual assault. It may be helpful to emphasize to victims that all decisions are the choice of the
victim, and they can discuss options with a counselor at the University Counseling Center (UCC) as requested. For further information please do not hesitate to call the UCC at (504) 865-3835.

6. Academic/Living Situation Assistance
   a. Students wishing assistance in their academic or living situations after an alleged sexual assault incident should contact the Vice President for Student Affairs and Associate Provost for referral to the appropriate person. Assistance will be given if requested by the student and if such changes are reasonably available.

C. Special Reporting Situations
   1. Allegations of discrimination or harassment by the director of human resources should be reported to the Vice President for Finance and Administration. Allegations of discrimination or harassment by a Vice President should be reported to the President.
   2. Allegations of discrimination or harassment by the President should be reported to the chair of the Board of Trustees.
   3. Any person using the complaint resolution procedure will be treated courteously, the problem handled swiftly and as confidentially as feasible in light of the need to take appropriate corrective action, and the registering of a complaint will in no way be used against the employee or student, nor will it have an adverse impact on the individual’s employment or educational status.
   4. While reporting such incidents can be a difficult personal experience, allowing discrimination or harassment activities to continue will most certainly lead to less desirable outcomes. For that reason, employees and students are required to follow these procedures. However, filing groundless and malicious complaints is an abuse of this policy and is prohibited.

D. Responsibilities
   1. All Loyola employees and students must share the responsibility of understanding and preventing discrimination and harassment. Ultimately, no satisfactory investigation or resolution of complaints can occur without the initiative and continued cooperation of the complainant.

E. Support Services for Students
   1. University Police officers will use all reasonable means to protect the victim and prevent further violence. In addition, University Police officers will assist in obtaining medical treatment as well as giving the victim immediate and adequate written notice of the rights of the victim and of the remedies and services available.
   2. Counseling is also available for victims of domestic violence through the Counseling Center, University Ministry, and by referral to off-campus agencies.

F. Educational Programs
Educational programs to promote the awareness of sexual assault, acquaintance rape, and other sex offenses are offered periodically throughout the academic year through the Counseling Center.
